

PENINSULA FAMILY YMCA

2009

ANNUAL SUPPORT CAMPAIGN

WHEN:

February 4 – March 4, 2009

EVENT DESCRIPTION:

The Peninsula Family YMCA Annual Support Campaign is a community fundraising effort by over 100 volunteers. During the month of February, volunteer campaigners are reaching out to friends in the community to help raise scholarship funds for children and families in our community.

At the YMCA one of our most important goals has always been to enrich the lives of kids in our community. But when some are left out, it leaves us all a bit poorer. That's because giving kids a safe and nurturing place to go benefits everyone. By introducing them to experiences that will help them grow into responsible, successful adults, we make the community we love a better place to live. One child at a time.

YMCA programs teach young people important values such as Caring, Honesty, Respect, and Responsibility. Through a variety of fun and rewarding activities, they also develop valuable skills while they gain confidence and self-esteem. You simply cannot put a price on strengthening and enriching the character of a child.

Here's how strong kids are built at our YMCA:

- Competing in values-based sports programs
- Participation in swim lessons
- Participation in Adventure Guide Campouts
- After School Programs serving six local schools
- Summer Day Camps
- Participating in our Teen Youth & Government Program

VOLUNTEER OPPORTUNITIES:
