

Aloha youth sports parent!

I just wanted to reach out to you with a quick season update. Currently we're in a good enrollment spot but we could be a bit better.

- 1) It's my goal to keep all our leagues here for our games, but if we do not have enough participants to create a 4 team league, some of our games may be at other YMCAs. There's still time for people to register (Until April 4th) without accruing the full fee so please invite your friends to join us this season!
- 2) We're still short coaches across the board. The commitment is minimal (about 2.5 hours a week) but the impact could last a lifetime. The ideal structure for each team would be that we have one a coach (practice and game strategy), an assistant coach (support for the head coach, steps up in the absence of the head coach), and a team parent (opening day gathering, picture day, and medal day) all working together to help make this season the best experience possible for our kids and yourself.
- 3) Parent handbook (Season objectives, guiding philosophies, general information) and our FAQ's (Contact timelines, picture day, practice expectations) can all be found on your respective sport's website off this main link:
<http://www.peninsula.ymca.org/yprog/cat25.html>

Attached is our first preseason clinic schedule. We hope to see you out there! Please consider what your involvement will be this season, thank you for your constant support of the Y and I look forward to an awesome season together!

With aloha,

Jon

2016 Preseason Clinic Schedule

	Location	Player Workout
YMCA-led Coed Volleyball (8-10)	Haas Family Gymnasium	April 1 st 6pm-7pm
